The submission process is as follows:

1. Upload all content used in your product/analysis (code, etc) into your team repo before your Semi-Final submission date (dependent on your Challenge Day location)
   a. 4/15/2019 at 5:00pm MDT for Western Slope
   b. 4/22/2019 at 5:00pm MDT for Front Range
2. Use the powerpoint template to create a slideshow of your submission
3. Create a video of your powerpoint using Loom
   a. Include a link to this video in your README
4. Document how to use your product/analysis in your README
5. Fill out the relevant Submission Form before your deadline
   a. Semi-Finals
   b. Finals
